### **Race Results - 8th. December 2018**

#### **No 2 Line to Red Shed**

The race last Saturday, 8th December, was amended because rider numbers at 12 were considered too low to run the course as intended. Instead we had a mass start neutralised to Fordell. Then riders raced from there to the turn at the Red Shed. Once the group were all together again they rode, neutralised, to the top of Reids hill. The riders were then each given a small handicap before racing to the finish line at Durie Hill school. Overall the riders enjoyed an interesting ride together.

Glenn Haden outclassed the field turning in a time of 29.10 seconds followed by Ross McNeil, Martin Hogan,

Darcy Forrester, Phillip Groves and Brian Scott at 33.0 seconds. Tania Nesbit, Marty Hewson,

Stephen Snell, Shannon Whitlock a further 14 seconds in arrears.
